CERTIFICATE OF COMPLIANCE

SAS Industries, Inc. (SAS), hereby, certifies that the materials and/or products listed herein as being supplied by SAS, under the above referenced order are in conformance with the requirements, specifications, and drawings of said order. SAS also certifies that SAS does not use or store any metallic mercury, mercury compounds or mercury containing products at this facility and that all products listed herein are RoHS 3 Compliant IAW Directive 2015/863 and all prior directives. SAS also certifies that all of our products do not contain any of the REACH Substances of Very High Concern (SVHC) as published by ECHA (European Chemical Agency).

Signed,

STEVE STECKS, QUALITY CONTROL

"RoHS Compliant 2011/65/EU" means that the product or part ("Product") does not contain any of the substances in excess of the maximum concentration values in EU RoHS Directive 2011/65/EU, unless the substance is in an application that is exempt under RoHS. This information represents SAS's knowledge and belief, which may be based in whole or in part on information provided by third party suppliers to SAS.
